

McCracken Eye and Face Institute Newsletter

Now that Spring is here, the longer days invite for more time spent outdoors enjoying the warmer weather. Spring is also a time of year for welcoming holidays such as Mothers Day. At McCracken Eye and Face Institute we enjoy celebrating all moms, including the very special moms in the our office everyday. Call our office today to ask about what we are offering in the month of May.

What can two do for you? It's Injectable Day!

Patients absolutely love our Botox Day, so we now also have an injectable day.

On **Wednesday May 24th between 8 a.m. and 5:00 p.m.** we will be taking **\$100.00** off any two injectables we offer. Bring a friend and your name will be entered into a drawing for **free Botox for a year!** (up to 100 units).

This is a huge savings and you won't want to miss out on this exclusive offer. Call our office to book your appointment.

2.3ml Juvederm Vollure XC was injected into the nasolabial folds, oral commissures, and marionette lines.

Melt your neck and chin fat

We will be providing this special during our
"What can two do for you event"

Patients have been so happy with the results of this exclusive offer, we have extended the special. If you have been looking for a non-surgical method to remove lower chin and neck fat, look no further. Call us today to take part in an exclusive offer on Kybella.

Purchase **two** Kybella treatments for **\$1999**,
which is a **savings of over \$400!**
There are only 5 more spots available for this offer.

Kybella is the only FDA approved injectable drug that contours and improves the appearance of lower chin and neck fat. Kybella permanently melts chin and neck fat. Patients have the opportunity to get rid of unwanted double chin without going under the knife! McCracken Eye and Face institute is proud to offer this treatment to our patients.

26 year old female

Eclipse PRP = The Smarter Choice

Reaching New Peaks in Facial Plastic Surgery Conference

In February, Dr. McCracken was selected to lecture at the Reaching New Peaks in Facial Plastic Surgery Conference. The physicians who present at this conference come from all over the world with a tremendous amount of experience in the fields of oculoplastic surgery, facial plastic surgery and dermatology.
